

LES COORDONNES / GIN-X

Il n'est pas toujours facile de sélectionner les couleurs de Bazzill pour qu'elles soient bien assorties aux papiers à motifs que l'on souhaite scrapper. Bazzill vous propose la Swatch Box dans laquelle on retrouve l'ensemble des couleurs et textures proposées par cette compagnie, c'est une ressource très utile qui fera prochainement l'objet d'une fiche produit. De plus en plus de compagnies, vous proposent leur sélection de Bazzill pour accompagner leurs papiers à motifs.

Nous vous proposons ici, les coordonnés pour les collections de papiers Gin-X
